

# Week 5 Progress Report

- Dates: 10/6 - 10/12

## Week 5 Goals Completed (3/3)

- ✓ As a developer, I want to finalize code comments and documentation so my teammates have a comprehensive resource for understanding my code.
- ✓ As a developer, I want to integrate my changes with my teammates' changes so we can have a fully-functioning MVP.
- ✓ As a developer, I want to prepare my documentation for the Sprint 1 presentation so my team leader has an accurate and comprehensive resource to reference while preparing the presentation.

## Statistics

## Summary of Progress

- Merged branch `Owen` (final integration) with `anna`
  - Resolved conflicts
- Verified validity of code comments/documentation for `Board`, `Row`, and `LinkedList`
- Verified unit tests for `Board`, `Row`, and `LinkedList` still pass
- Tested app manually by running and playing it
